Mandatory Emergency Contact Number/Email: _____

Name of Animal(s): _____

Pets who become ill while boarding will be treated at the discretion of the attending veterinarian at the client's expense. We will attempt to contact you at the emergency contact number/email provided to discuss any illnesses that may be noted or arise during boarding.

Vaccinations and Parasite Control: To ensure that both your pet and the other boarders are protected, we require that they be current on vaccinations and flea and intestinal parasite prevention. We must have proof of current vaccines from a veterinarian. If your pet is not up to date, we will give the vaccinations required for boarding. **DOGS: DA2lpp, Bordetella** (kennel cough), and **Rabies** (as required by EBR Parish Law). **CATS: FVRCP-C, Rabies** (as required by EBR Parish Law). If your pet has evidence of fleas or intestinal parasites, we will treat with Capstar and Drontal.

Personal Items: When your pet arrives at the hospital, we will remove and label leashes and pronged collars. Please clearly label all other personal belongings such as pet carriers, bedding, toys, etc.

GARDEN DISTRICT ANIMAL HOSPITAL IS NOT RESPONSIBLE FOR LOST OR DAMAGED PERSONAL ITEMS LEFT WITH PETS!

Special Food or Medications: Unless personal food is brought in, your pet will be fed Royal Canin Gastrointestinal Low Fat dry dog food according to his/her size, age, etc. Please indicate here if you have provided food or medications for your pet:
